17th May (Friday)

9.00 - 11.00	IV scientific session – <i>Biologically active compounds</i> Session dedicated to the memory of prof. Armin Buschauer†
9.0 – 9.15	Dr S. Pockes (University of Regensburg) <i>Introduction</i>
9.15 - 9.45	Invited speaker – Prof. H. Stark (Heinrich-Heine University, Düsseldorf) <i>Pitolisant treatment for children with Prader-Willi Syndrome – a patient study</i>
9.45-10.15	Invited speaker -Dr J. Dyhrfeld-Johnsen (Sensorion Pharma) TBA
	Free communications
11.00 - 11.30	<i>Coffee break</i>
11.30 - 13.15	V scientific session - <i>Neuronal histamine</i>
11.30 - 12.00	Invited speaker – Prof. B.M. Passani (University of Florence) <i>What's histamine got to do with memory stress and appetite?</i>
12.00 – 12.30	Invited lecture – Prof. P. Panula (University of Helsinki) <i>Plasticity of the brain histamine system in health and disease</i>
12.30-13.00	Invited speaker – Dr K. Yanai (Tohoku University) TBA Free communication
13.15 – 14.00	<i>Lunch</i>
14.00-15.00	Poster session II + Coffee break
15.00- 19.00	<i>City Tour + Museum Pharmacy/ Kraków Main Square Underground Museum</i>

18th May (Saturday)

9.00 - 11.00	VI Scientific session – Allergy and Inflammation Session dedicated to the memory of Prof. Kenji Tasaka†
9.00 – 9.15	Prof. M. Mio (Shujitsu University) <i>Kenji Tasaka, a pioneer of histamine research in Japan</i>
9.15 – 9.25	Prof. K. Tiligada (University of Athens) <i>Introduction of the GB West speaker</i>
9.25 – 10.10	GB West Lecture Prof. F. Levi-Schaffer (Hebrew University of Jerusalem) <i>Inhibit Activation or Activate Inhibition of Mast Cells and Eosinophils: Which Weapon is Better to Fight Allergic Diseases?</i>
10.10-10.40	Invited Speaker Prof. H. Fukui (Tokushima University Graduate School of Biomedical Sciences) <i>Combination therapy of allergic rhinitis to a high-degree by suppressing histamine h_1 receptor-PKC delta and NFAT signaling</i> Free communications
11.00 - 11.30	<i>Coffee break</i>
11.30 – 13.15	VII Session - Young Investigator's Award
13.15 - 14.00	<i>Lunch</i>
14.00 - 15.30	VIII Session - TBA
15.45 - 16.00	<i>Coffee break</i>
16.00	Closing of the meeting and General Assembly of the EHRS
20.00	<i>Gala Dinner</i>
